§ 932.155

of the olives in any lot or subplot may be smaller than $\frac{1}{160}$ pound.

[61 FR 40510, Aug. 5, 1996, as amended at 62 FR 1244, Jan. 9, 1997]

§ 932.154 Handler transfer.

(a) Except as hereinafter provided in paragraph (b) of this section, Form COC-6 "Report of Interhandler Transfer" shall be completed by the transferring handler for all lots of processed, but not packaged, olives transferred to another handler within the area and for all lots and sublots of natural condition olives transferred to another handler within the area or shipped to destinations outside the area except fresh market outlets. For natural condition and processed, but not packaged, olives transferred between handlers within the area, two completed copies of said form, signed by the transferring handler, shall accompany the lot or subplot to the receiving handler who shall certify on both copies as to receipt of the olives and forward one copy to the committee within 10 days following receipt of the olives. For natural condition olives transferred by a handler to a destination outside the area, except fresh market outlets, two copies of said form shall be completed by the transferring handler with the words *Outside the Area* included in the upper right corner of the form and one copy shall be returned to the committee within 10 days following transfer of the olives. The completed form shall contain at least the following information: (1) Name and address of both the transferor and transferee; (2) date of transfer; (3) condition (natural, processed but not packaged); (4) weight, number and size of each type of container; (5) variety; and (6) other identification (undersize olives, culls, style, etc.).

(b) Undersize or cull olives that are transferred from one handler to another and for which the transferring handler desires credit toward satisfaction of his obligation under § 932.51(a)(2) need only be accompanied by two copies of Form COC-5, report of limited and undersize and cull olives inspection and disposition: *Provided*, That such transfers are carried out under the supervision of the Inspection Service.

(c) No handler may ship any lot or subplot of natural condition olives to a destination outside the area, except fresh market outlets, unless such olives have first been size-graded and meet the disposition and holding requirements applicable under paragraphs (a) (2) and (4) of § 932.51. The size of such transferred olives shall be verified, prior to transfer, by certification issued to the transferring handler by the appropriate inspection service (Federal or Federal-State Inspection Service or the Processed Products Branch, USDA).

§ 932.155 Special purpose shipments.

(a) The disposition of packaged olives covered by § 932.152(d) which are not reprocessed, and new packaged olive products covered under paragraph (b) of this section which have not been disposed of by the end of the test market period, shall be handled in conformity with the applicable provisions of this paragraph.

(1) Under the supervision of the Inspection Service, such packaged olives may be disposed of for use in the production of olive oil or dumped.

(2) Such packaged olives may be disposed of to a charitable organization for use by such organization, provided the following conditions are met:

(i) Any handler who wishes to so dispose of olives shall first file a written application with, and obtain written approval thereof, from the committee. Each such application shall contain at least:

(A) The name and address of the handler and the charitable organization;

(B) The physical location of the charitable organization's facilities;

(C) The quantity, in cases, the variety, size, can size, and can code of the packaged olives; and

(D) A certification from the charitable organization that such olives will be used by the organization and will not be sold.

(ii) Prior to approval, the committee shall perform such verification of the accuracy of the information on the application as it deems necessary. The committee may deny any application if
